

What Is Coming in the Future?

Have you given much thought as to what events are coming on this Earth? We worry, of course, that ISIS could be planning something big against the United States and other places.

But, could **Almighty God** be planning something a lot bigger and more important than ISIS? Yes, the **Bible** says God has got plans for the Earth that could happen at any time.

What is the next event on God's agenda? The Bible says God is planning for Jesus Christ, God's own Son, to come back **"in the air"** for those folks who have trusted Jesus as their Savior. This "bunch" is called "the Church." They could be Methodists, Baptists, Church of Christ, or Independents, or any church. The event is called the **"Blessed Hope"** or the **"Rapture"** of the church (I Thessalonians 4:13-18).

This coming of Jesus could happen any time – morning, noon, or night.

Here is what happens according to 1 Thessalonians 4:16-17: "For the **Lord Himself** will come down from heaven with a **loud command**, with

Here is what **happens** in these two verses. The Lord Jesus comes down to the clouds with the Christians who died between 32 AD and **whatever date** is the Rapture, which **could** be in 2015 AD. These **"dead in Christ"** will get their **new bodies first.** Then all of the Christians who are alive and on the Earth at the time of the Rapture will get their new bodies and will rise up with those who came with Jesus. They **both** will meet the Lord Jesus in the air and go back to heaven to be with Him forever.

Now, you may ask, "What will happen to those who are left behind on the Earth?" The "Left Behind" folks are those who have not trusted Jesus as Savior before the Rapture. These people will go through a seven (7) year period of time called the **Tribulation.** **These seven years will be the worst time in all of human history.** God will send one horrible judgment after another upon the Earth. He will bring the
