

ETERNAL LIFE

Most people think eternal life is dying and going to Heaven where there is no more sorrow, pain, crying, or death. Everyone there lives in total joy and peace. Well, that is part of eternal life, but not the whole. Eternal Life doesn't start in Heaven, it starts here on Earth.

When a person trusts Jesus as his or her Savior from sin, that person is given eternal life right then by God Almighty. That person also becomes **God's child**. His **son** and **heir**, His **saint**, His **righteous one**, and so much more. That person is also indwelt by God the Holy Spirit.

Eternal life starts the moment of believing Jesus died for your sins and that He was raised from the dead. Jesus said in John 17:3-4, "**that this is eternal life** that they may know You, the only true GOD and Jesus Christ whom You have sent." Eternal life is **getting acquainted with** and **coming to know God the Father and the Lord Jesus Christ**. You might say, "what about the Holy Spirit?" The Holy Spirit living in you is the only One who can get you acquainted with Himself and the Other Two. You and I cannot know the Father and Son without the Holy Spirit opening our eyes. Now as you and I read God's Word, the Bible, the Holy Spirit opens our minds to the most interesting Persons in all the Universe. There is nothing boring about God. So, **get with it, Christian**. Start living the eternal life God has given you to live.
