

# AN "F-" WITH GOD

I am a sinner. I have done wrong things. I have thought evil thoughts, said bad stuff, and have done things that are not according to God's will. But, I did one thing in my life that was right — I trusted Jesus as my Savior from all the wrong doing.

I heard God loves me and all the human race. And, I heard God sent His Son, Jesus, to the Earth to do something about our sins and our lack of righteousness with God. As a Man, Jesus did everything God wanted Him to do; said everything God wanted Him to say. Jesus pleased God for you and me. Jesus made an A+ with God. Then He took the punishment for all my sins and your sins. In other words, Jesus took our F- with God and paid off our sins with His death on the cross.

Now, all we have to do is tell God, ***"I am putting all my hope and trust in You, Jesus. I believe You died for me personally and that God raised You from the dead because he was so satisfied and pleased with what You did for me and all other humans. I trust no one or no thing but You, Jesus, for my salvation and my destiny."***
