

“
**MAN
IS HIS OWN
WORST
ENEMY.**
”

Have you heard that statement? Yes, and why is that saying true? Or, what example shows that we are our own worst enemy?

Anyone who has heard that he or she can miss going to Hell forever and doesn't listen or take to heart that statement is definitely his or her own worst enemy.

Jesus paid off our sin debt to God on the cross. He died for our sins so we don't have to pay for our sins in the Lake of Fire, where Satan and his angels will spend forever. All we have to do is tell God, "I am putting my whole hope and belief in your Son, Jesus." God's word (Bible) says when we do that, we pass from death (spiritual) to spiritual life forever. It's our choice.
